

Kurri Mongrels Mountain Bike Club Ride for Donor Families Australia

Our charity partner for 2020 is Donor Families Australia (DFA), a wonderful organisation that supports organ and tissue donor families in difficult times and partners with recipient groups.

Our Anzac ride was cancelled but we are now back on.

It's a multi-day ride over September 10 to 13 based out of the Victoria Hotel, Moonan Flat.

We have booked the 11 beds and all the adjacent camping facilities. You choose how many days you go and get a car crew together. Swags, tents, campers and caravans can be accommodated.

There will be a range of ride options, most with climbing.

So get your name on the sheet at the Station Hotel Kurri Kurri (or reply on Kurri Mongrels facebook page below this post) with the day that you will be joining the us.

\$250 covers a \$100 donation to DFA, breakfast each day, a casual shirt and some "on ride" refreshments.

There will be an Ebike raffle to support the charity, details and tickets available soon.

More ride details coming up.
